New York, New York

Dear Sirs:

The Westborough Branch of the UNITARIAN UNIVERSALIST WOMEN'S FEDERATION was excited to learn through the February Newsletter from our Executive Director that the name of CLARA BARTON has been nominated to the HALL OF FAME FOR GREAT AMERICANS.

We heartily endorse her election to this institution because of her most significant contributions to our nation. We honor her in our own small way by operating her Birthplace as a museum open to the public, and by giving her name to the CLARA BARTON CAMP FOR GIRLS WITH DIABETES, which is under our Federation sponsorship.

May we urge your board of electors to give special consideration to the election of CLARA BARTON in this Bicentennial Year and at this time of the International Decade of Women.

Sincerely yours,

*Catherine K. Elberfeld*
